

INITIATE YOUR OWN MAGICK

WHY IS THIS RITUAL IMPORTANT FOR YOU?

It's time for you to empower your life at the next level. Casting your own magick circle is the first step in my 5-part Series, Initiate Your Own Magick. This is the first step because you start your journey of looking inside yourself for your Truth. You will begin to recognize and then stop your need for validation from other people and other situations--anything outside of YOU.

THIS IS THE PATH OF SOVEREIGNTY FOR POWERFUL WOMEN.
AND YOU ARE TAKING THE FIRST STEP NOW.

This first ritual begins you actually DOING your magick! You will create a sacred space for working your Magick or intentions. You do this in your home, work place, around you personally, and before a ritual. You can also call your circle to you if you feel a need for protection for any reason, such as driving, being in crowds or in a strange place. You can send your magick circle to another person by intending them to be surrounded, using energy, space and consciousness as your spiritual vehicle.

WHILE IN YOUR CIRCLE YOU CAN WRITE, MEDITATE, CREATE A SPELL OR BLESSING, SET A GOAL, HOLD A CEREMONY.

NEEDS:

*Wand, Crystal or Athame to point and call the direction to order- You can also use your index finger- it is a built-in wand.

*An item to mark each direction- North is Earth- Stone, Pentacle or Green Candle- East is Air- Wand, Incense or Yellow Candle- South is Fire- Sword or Red Candle, West is Water- Cauldron, Cup or Blue Candle, Spirit is the 5th Element and is represented by a White Candle and you asking for it to join.

*Pen and Paper

CASTING THE CIRCLE

When you cast the circle, you are placing a sphere of protection, power and positive energy between the two realms. This is called the world between worlds. It's a place of sanctuary from which you call forth the four Guardian Spirits to guide and assist you

Using your athame, wand, crystal or finger, stand in the middle of where you are about to cast the circle of three.

Facing the East, holding out your athame as though it was an extension of yourself, extend your arm and turn in a deosil (clockwise) direction, use your athame to make a circle around yourself three times.

Words for calling a Magick Circle of Three

I (state your name) child of the Divine Creator of All Beings cast this circle of boundary times the power of three!

Once for LOVE- (make a full circle while saying these words)

Once for Light - (make a full circle while saying these words)

SO MOTE IT BE!

Calling the Guardian Elements- Simple Casting of the Sacred Circle

Face the direction you are calling and speak to it just like you would speak to a loved one- Arm extended with your athame', crystal, wand or finger pointed in the direction you are calling, say:
